

ASURA President's Message

submitted by Larry Edmonds — ASURA President, 2021-2022

“Great difficulties may be surmounted by patience and perseverance.” - Abigail Adams

As we move into the latter season of 2021, somewhat to our surprise, the COVID-19 pandemic, with new mutations of the virus, reared its ugly head again and prevented us from returning to what we were used to in the past.

Our close social ties have been forced to stay at a distance, as may be evidenced by the necessity of moving our annual Meet and Greet/Pizza Party to a new date in winter. We have almost forgotten what it's like to see our ASURA members' smiles because of the masks that have been necessary to cover those smiles as we try to protect ourselves and others.

Our meetings have gone from face-to-face to Zoom and back to hybrids of part face-to-face and part Zoom. It is sometimes difficult for us to know what is acceptable and what is not, depending on the restrictions at locations we may want to visit. Retirees, however, generally possess the grit that keeps us from quitting.

If you are reading this now I suspect that you, too, have had to reach deep down and find the grit within. As retirees, we have persevered a terrible attack on our nation just twenty years ago and now we have had to endure a pandemic with no definitive end in sight ... a pandemic that has taken the lives of tens of thousands of our friends, our neighbors and our fellow Americans.

Yet we are not about to throw in the towel. We will continue to step up and step forward. We have lived a relatively long time in human terms, making many trips around our sun on this rocket ship we call Earth. We have survived childhood, our teen years, young adulthood, and (at least) one career and retirement, all with their own irritating challenges. But, as anyone who understands what irritates an oyster to create a beautiful gem might be able to remind us, *“No grit, no pearl.”*

ASURA Board Nominations Due January 14, 2022

submitted by Carl J. Cross — Past President, ASURA Board of Directors

Each year in February, ASURA holds an election for five new members of the ASURA Board of Directors. The Board manages the affairs of the Association and establishes policies as needed to carry out its mission. Members of the Board are elected for a term of three years and meet monthly during the academic year.

You may offer the name of a current ASURA member or your own name as a potential Board member by notifying the Nominating Committee chair of your nomination. To be *sure* that your nominee's name gets on the ballot, you can (as mandated by ASURA Bylaws) submit a petition of nomination bearing the signatures of at least ten current ASURA members.

All nominating petitions must be received by January 14, 2022. Please send names and/or nominating petitions to:

ASURA Office Updates ... Fall 2021

submitted by Linda Van Scoy and Nancy Lesko — ASURA Office Coordinators

Greetings!

Hard to believe summer is in the rearview mirror at this point which means we have gone back to “full” office coverage. For your convenience, the office hours are currently 9:00 a.m. to 3:00 p.m., Monday through Thursday during both Fall 2021 and Spring 2022. The office will remain closed on Fridays. Our volunteer staff each serve a 3-hour shift — 9:00 a.m. to noon and noon to 3:00 p.m. As always please call the office at (480) 965-7668 if you plan to come by as we might periodically have commitments that may take us away from the office. We try to arrange substitutes when we know of upcoming schedule changes.

Speaking of that, we are fortunate to have two new substitute volunteers — Martha Christiansen and Ann Ryan. Dorothy Meunier continues as a regular sub as well. Also, we have lured Nanci Beardsley back as a regular volunteer and Tara Roesler returns from a “leave of absence.” It’s a great group of ladies who will be happy to help you if you need assistance.

Below is the current office schedule of morning and afternoon shifts:

Monday: Nanci Beardsley and Jeannette Robson
Tuesday: Nancy Lesko and Linda Van Scoy
Wednesday: Bev Buddee and Tara Roesler
Thursday: (Morning shift TBD) and Sharon Wielert
Friday: CLOSED

(Continued on page 4)

(Continued from page 3)

We had a mostly quiet summer in the office except for a broken pipe on the second floor which resulted in the water pouring down on the front desk along with soggy ceiling tiles and drywall. Thanks to Bev Buddee, who “discovered” the mess and helped to move files, computer, printer etc. and notified FAC MAN who were immediately on top of it. Naturally we were out of commission for a short while but the end result was all good, especially having the carpet cleaned!

We are still getting membership renewals and thank you for that. If you haven’t completed your renewal application, please do so.

As a reminder ASURA has been given scheduling authority for the 2nd floor conference room (203A). If you plan to hold an in-person meeting, please call the office to schedule a time and to reserve the room key.

Hoping to see everyone for our “Picnic in the Park” in December!

Tri-University Meeting - August 12, 2021

submitted by Carl J. Cross — Immediate Past President

All three state Retirees Associations were well-represented at our quarterly Tri-University meeting on Zoom. Immediate Past President Carl Cross and Past President Jan Thompson represented ASURA. Alison Hughes joined from Tucson to represent UARA, and NAURA was well represented by Betsy Kerr, Kathleen Zahl, Carole Mandino and our host Shannan Rice.

A lively discussion about member volunteerism was led by Alison Hughes. They currently have only two board members and are experiencing difficulty in getting new members. A letter signed by the University President was sent to individuals inviting them to join UARA, but there was little response. They offered a session on how to prepare for a power outage, but only 8 or 9 participated. NAU suggested having monthly webinars given by members and university staff and faculty. ASU offered that it has an information table at three of their campus staff appreciation days. Other suggestions by the group included game nights with prizes, a raffle, and book clubs/meet the author.

Betsy Kerr then asked how organizations were responding to the recent surge of new Covid cases as it related to in-person programming? It was agreed that masking was suggested for all in-person activities and that outside gatherings was the best option.

Betsy was also interested in learning more about the “Age-Friendly” designation that ASU has. According to [Forbes](#): “There are now 51 colleges and universities around the world that are part of what’s known as the [Age-Friendly University Global Network](#). They range from mammoth Arizona State University to tiny Williams James College in Newton, Mass. in the United States and include schools in Europe, Asia and Canada.” “To become an Age-Friendly University, a school just needs to endorse the 10 principles that Dublin City University came up with when it launched the initiative in 2012.” (The principles are included in the Forbes article).

Shannan asked about organizational benefits offered to retirees. UofA has free parking and IT support available and ASU offers free parking and email support to Emeritus.

The meeting concluded with an informative discussion on ways the three organizations can work together:

- Tri-University events
- Share Zoom meetings
- Virtual tours (e.g., ASU Art Collection)
- Concert by a retiree
- Webinar on hiking and trail systems

Want to Find Information from ASURA? Check out our New Website!

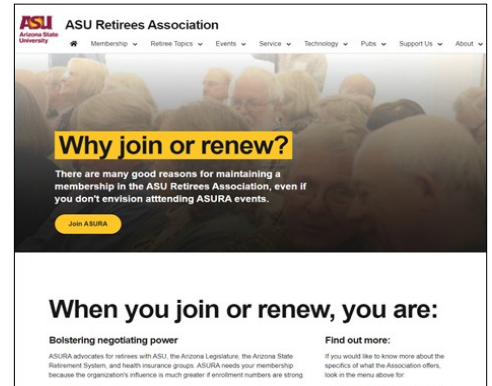

submitted by Connie McNeill, Website & Database

An entirely new version of the ASURA website launched in late September. Have a look! Same address: <https://asura.asu.edu>.

The new version uses standards established by ASU in the ASU Brand Guide. The standards make the site both appealing to look at and easy to use. The ASU Brand Guide team did extensive studies and research to come up with the standards, and ASU's UTO put together a wonderful new set of tools and an updated software platform that make it realistic to implement them.

Major new features

- A top menu that lets you readily see what is available. The organization of the menu is the result of ideas and suggestions from several people and from usage data on the old site.
- Search boxes to find an E-News article, set of Board minutes, volunteer bio, report on a past event, video history interview, or obituary.
- Easy, integrated access to your membership profile and to the member directory.
- Much easier to keep the new site up to date.

The team

The new website is the result of several months of work by a dedicated and hardworking team:

- Connie McNeill, team leader
- Barry McNeill, chief assistant
- Carl Cross, data entry of obituaries
- Paul Harper, team member and design consultant
- Mark Henderson, team member and design consultant
- Carolyn Minner, data entry of obituaries
- Jeannette Robson, data entry of E-News and obituaries
- Pat Schneider, data entry of volunteer bios, past event reports, Board minutes, and video history interviews.

It never ceases to amaze me that we have such competent people who are so willing to put in lots of time and effort to make ASURA the outstanding organization that it is. These colleagues are what makes the work seem both fun and worthwhile.

Support ASURA

Would you like to support the ASU Retirees Association? Your support is needed and very much appreciated.

For information on how to donate, see the "Support Us" menu on our website, <https://asura.asu.edu/>.

- ◆ You can donate books or money.
- ◆ You can choose to support ASURA operations or one or more of our worthy projects.
- ◆ You can find out how to include ASURA in your estate plans.

ASURA President Awarded Fellowship

Congratulations to Larry Edmonds, our 2021-2022 ASURA President, for being awarded the Barrett (The Honors College) Emeritus (The Arizona State University Emeritus College) Fellowship.

Dr. Edmonds will begin teaching at Barrett in Spring of 2022 through the joint program as the Barrett Emeritus Fellow.

ASURA Video History Project: Recipient of the AROHE HERO

submitted by Larry Edmonds — ASURA President, 2021-2022

It is with great pride that I announce the ASURA Video History Project has been bestowed the prestigious 2020 “HERO Innovation Award”, given annually by the Association of Retirement Organizations in Higher Education (AROHE).

Our nomination was originally submitted by one of our past presidents, Jan Thompson, and recommended by Robert Spindler, University Archivist at the Arizona State University Library. While I was not personally involved with the project, I am very proud to currently be at the helm of ASURA as we navigate the 2020’s.

The Video History Project began in 2002 and has long been a collaboration of past and present ASURA members. All those who began with and helped to develop the project are too numerous to mention but each one volunteered countless hours of interviewing, collecting and editing videos and was dedicated to maintaining the histories of ASURA members in perpetuity. I would be remiss to not mention the following four individuals who really carried the load for many years — Dave Scheatzle, Linda Van Scoy, John McIntosh and Roger Carter. Key individuals recently received letters from Dr. Michael Crow commending their work on this project.

The ASU Foundation provided support, including financial support, to help move this project forward. Additionally, through sound thought processes by former ASURA leaders, our organization was able to raise some \$70,000 for the project through a series of annual fund-raising golf tournaments and also through yearly member donations.

On behalf of our Executive Board and our full membership, I video taped a special thanks to AROHE for this special honor and for the hard work put into the project by ASURA members. This video will be aired at the October 12-14, 2021 AROHE Virtual Conference.

September 2021 Travel Committee Report

submitted by John Brock — Chair, ASURA Travel Committee

At our last meeting on September 7, the committee discussed ASURA international travel destinations of which Costa Rico and Iceland were placed at the top of our work list.

As for future in-state travel we discussed a southeast Arizona trip with *Detours*. Also currently being planned is a trip to northeast Arizona and northwest New Mexico to visit the various historic Native American sites. Another in-state travel under consideration is a trip to Cottonwood to visit an artist studio and enjoy some delicious food and great wine tasting places.

Locally, it will not be until spring of 2022 for a possible visit to Tovrea Castle as 2021 was all sold out (they did not contact us as promised). Also being discussed is a visit to Wrigley Mansion.

We believe for people to travel they will need to be fully vaccinated, which we hope will be soon for all.

Our next Travel Committee meeting is scheduled for October 5.

ASURA Seminar Committee Survey Results

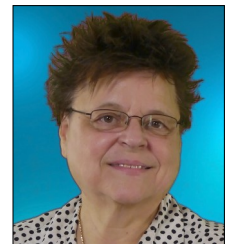

submitted by Patricia Schneider — Chair, ASURA Seminars Committee

Back in early August, the ASURA Seminar Committee sent out a survey to all members asking you to provide input on what type of seminars you would like to have provided. We had a good response and the Committee would like to thank everyone who participated. We recently met and reviewed the results and are now working on developing the agenda for the January, February, March and May 2022 seminars. The top topics of interest were:

- The Healthy Brain
- Affordable Senior Housing
- Downsizing/What to do With all this Stuff?
- Telling Your Story
- Caregiving

Four seminars will be put together based on these topics. A finalized schedule, topics/dates, will be available late November and will be published on the ASURA website. All seminars will be presented via Zoom at this time. We hope to be able to offer them in a hybrid mode soon!

If you missed the survey and have suggestions for seminars you would like to see, or you would like to volunteer to work on the Seminar Committee, please feel free to send a note to Pat Schneider, Seminar Committee Chair – pms0627@gmail.com .

ASURA Needs Your Old Books!

submitted by Mary Stevens — Book Donations

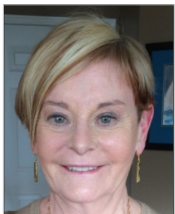

- Are your bookshelves too full?
- Are you downsizing your office or your home and don't have space for all of your books?

Donate your used books to us, and we will work with our partner, Friends of the Phoenix Public Library, to sell them. We'll use proceeds of the sale to support our programs. Half of the proceeds will be used for our ASURA scholarship that goes to an ASU student, and half will be used for our Video History project. When you drop off your books, the office volunteer will give you a Gift in Kind form to complete and sign. The form is sent to the ASU Foundation, a separate nonprofit organization that exists to support ASU. The Foundation will provide you with a gift receipt for tax purposes.

You may drop off your books at the ASURA Office, Community Services Bldg., 200 E. Curry Road, room 201B, Tempe, AZ, 85281. Please call the office before you come to make sure there is a staff volunteer in the office (480-965-7668).

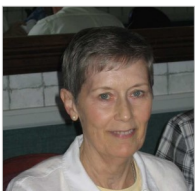

You do not need to box your books and it's best that you do not. When drivers from Friends picks up the books, they load loose books into large bins and deliver them to their warehouse. You may put the books in bags or load them into container(s) which you will take with you after your delivery. If you need to box your books, please leave the tops of the boxes open so you can empty the books into the bins in the storeroom and then take the empty boxes with you. An office volunteer will assist you.

- For books that are on an ASU campus, ask Facilities Management to pick them up and deliver them to us. To accomplish this, your department assistant can complete and submit a [FACMAN service request](#) on an on-line form. Facilities will schedule a pickup date with the office assistant. Advise the office assistant to provide your name and department to the FACMAN representative who picks up the books.
- **OR** bring your books to [our office](#). We have 2 dollies for your use. Parking is readily available by the building with 3 ramps into the building and an elevator to the 2nd floor.

If you are unable to deliver your books to our office, please contact Mary Stevens at (602) 758-3750 or marystevens0@gmail.com or [contact our office](#). Provide your **name, e-mail address** (if you have one), **phone number** and the **approximate number of books** you would like to donate. Mary or another ASURA volunteer will work with you to get the books transferred. Thanks so much for your donation!
