  - Scholarship Committee - Sue Blumer, Joy Shearman  
Sue said there was nothing to report. She did ask the Board if there will be any money available for a scholarship for the 2017-18 year. Barry Bruns will check with the Finance Committee on any available funds and advise Sue. If funds are available, advertisement will begin

in December for the 2017-18 scholarship.

- Video History Project – Dave Scheatzle  
No report.

B. Events Committee and Subcommittee Reports

- Events Committee Coordination – Barry McNeill  
No report.
- Luncheons & Special Events – Joyce Hartman Diaz  
Joyce said that she has made notes for next year's New Member Meet and Greet Pizza Party. The attendance was good and it appeared that everyone had a wonderful time visiting.  
Many members of the Board applauded Joyce for the excellent Fall luncheon, noting how much they enjoyed the speaker, Pat McMahon.
- Seminars – Beverly Buddee, Trudy Perez  
Pursuant to discussion at the September Board of Directors meeting regarding the ASURA membership desire for more health care related information, the Seminar Committee decided to focus on a health related theme for the Spring 2017 seminars. Further, the seminar dates will be scheduled so as not to interfere with scheduled events at the Emeritus College. The tentative Spring schedule of seminars is:  
Thursday, January 9 with the topic of Physical Therapy and Nutrition;  
Thursday, February 9 with the topic of hearing testing and hearing devices; Thursday, March 9 with the topic of financially surviving surgery and rehab; and a mid-April seminar with the focus on senior living – who, what, why, when, and where.
- Pre-Retirement Seminars – Trudy Perez  
Trudy reported that the next Pre-Retirement Seminar will be held in December. She is working with the Arizona State Retirement System to send a representative to the event. She also needs ASURA participation. Trudy also let the Board know that she has moved from Engineering to Parking Services.
- Travel – John Brock  
John noted that an electronic announcement will be coming out today to ASURA membership for the November 29 night out with the "Rhythm Cats." Also in the works is a September, 2017, trip to the British Isles, and an overnight trip to Southern Arizona in April 2017.

C. Finance Committee – Barry Bruns  
No report

- Book Collection – Mary Stevens  
No verbal report. Per an attachment to the Agenda, book sales for the 3<sup>rd</sup> quarter 2016 totaled \$304.35. It was mentioned that the ASURA office frequently receives calls from individuals asking if books can be picked up from various locations. Larry Carlson volunteered to pick up books from folks and bring to ASRS office.

D. Government Liaison Council

- ASRS General – Larry Carlson  
Larry informed the Board that he recently met with Paul Matson, ASRS Executive Director.
- Legislature – Jeri Meeks  
Jeri informed the Board that she, Tara Roesler, and Larry Carlson had met with Steve Miller, Deputy Vice President of University Affairs. From that conversation, Tara reported the ASU components of the tentative 2017 Arizona Board of Regents (ABOR) legislative agenda are:
  - ASU will not be pursuing legislative changes regarding ASRS membership. ASU now offers employees ASRS or Optional Retirement Plans.
  - Currently the annual cost to the University for each in-state, undergraduate student is \$15,000. The state only appropriates from the General Fund \$5,000 per student. The Arizona Board of Regents is proposing increasing the General Fund portion of the annual per student cost from the current 33% to 50% over the next three years. The economic impact of the legislation would be approximately \$80 million each year until in year three the total amount would be approximately \$245 million.
  - Currently each campus of Arizona State University is separately appropriated. Arizona State University, with the approval of the Arizona Board of Regents, will be seeking an efficiency measure to consolidate the University's Budget into a single appropriation.
  - Currently State of Arizona Employees including University Employees, working 20 hours per week or more are eligible for benefits. The Arizona Board of Regents in conjunction with the Universities will be seeking legislation to raise the benefit eligibility level up to 30 hours per week or more, consistent with the Federal Government Policy.
  - Currently, Northern Arizona University is permitted to have its own Health Insurance Program outside of the Arizona Department of Administration and the Arizona State Retirement System. The Arizona Board of Regents and the Universities will be supporting Legislation to provide Arizona State University and the University of Arizona with the ability to have their own Health Insurance Programs or the Universities may join together for a single Tri-

## University System Program.

- Other Legislation and issues of concern to the Universities that will be actively monitored include:
  - Any legislation that would allow guns on university campuses.
  - A Grand Canyon University (GCU) proposal for a Tax Exemption for Class 6 Property. Currently the Arizona public institutions pay a transaction privilege tax (only 1 of 6 states). A possible position for the Universities would be to have the University paid transaction privilege tax earmarked for Research. The tax currently brings in \$15M to \$30M for all three universities and ASU's portion is estimated to be \$13M.
  - Legislation, to support the University's Capital Improvement Budgets of \$200 per FTE student.
  - Arizona State University Center in Mesa on the ballot.
  - ASU has signed an agreement with Mayo to open a medical school next Fall. Class size will be limited

Jeri also noted that the Tri-University meeting will be held at the University Club on November 21.

### E. Health Insurance Liaison Council

- ADOA – Larry Carlson  
Larry reported that insurance offerings appear not to have changed over last year. No information on combination situations of Medicare/Non-Medicare families has come out.
- ASRS – Tara Roesler  
Tara reported big changes this year as ASRS has expanded insurance plans available to non-Medicare eligible retirees. Two distinct types of benefit plans are being offered: CHOICE and NAVAGATE that allow members to choose the premiums and level of service that best suits their needs and where they live. She encouraged everyone to go to the upcoming open enrollment health care seminar.

### F. Membership and Communications Committee – Subcommittee Reports

- E-News – Jo Madonna  
No report. Jeri Meeks reported that Jo is seeking news items for the November E-Blast.
- Membership Update – Dave Schwalm  
Dave reported that membership is down about 8 members from last year's total at this time. He also reported that he had just finished a HR Retirement meeting. A large group of folks was present, and they seemed receptive to ASURA. Since many folks considering retiring opt for individual meetings with benefits personnel in lieu of the retirement meetings, Katie Aguilar agreed to take several issues of the

current *Prime Times* and the new ASURA tri-fold brochure to have on hand in Human Resources for such instances.

Prime Times – Jeannette Robson

Jeannette is collecting articles for next issue of *Prime Times*. Article submission deadline for the Spring 2017 issue is January 20. Jeannette will remind the Board closer to the date.

- Obituaries – Becky Reiss  
No report.
- Web Site and Database – Connie McNeill  
No report.

### **VIII. UNFINISHED BUSINESS**

- Ex-Officio Members and Committee Chair Vacancies  
President Meeks will contact Charles Elliott to ascertain his interest in serving as the University Senate ex-officio member. Trudy Perez will check with Martha Byrd at the ASU Alumni Association on the Alumni ex-officio status.
- Vice Presidency vacancy  
President Meeks requested the Board members to consider filling the Vice Presidency vacancy.
- Automatic One-Year ASURA Membership - Communications  
Deferred to next month.
- Health and Medical Issues – follow up with Linda Vaughan re interest in staffing a new Health Information Committee  
No information on Linda Vaughan status.

<sup>1</sup>All members receive the annual Board of Directors ballot, and membership renewal notices. Those with e-mail addresses also receive confirmation notices (by e-mail) about renewal, event registrations, and donations.

<sup>2</sup>The method used to calculate this number was modified in September 2016.

Note: Since membership enrollment forms are mailed in May, we begin processing them, with associated dues and donations, before the start of the membership/fiscal year. Therefore it is not possible to use these counts to determine the correct dollar value of membership dues in the current fiscal year.
