

ASURA President's Message

submitted by Maria Hesse, ASURA President, 2024-2025

Hi everyone! This is a year of big change for the ASU Retirees Association so I thought I'd share a few details that might be of interest.

Nearly one year ago, ASU announced its intention to create a national library on the site of the Community Services Building, at the northeast corner of Mill Avenue and Curry Road in Tempe, where the ASU Retirees Association is currently housed. "The McCain National Library will honor the life and legacy of the late John McCain, who represented Arizona first as a U.S. representative and then as a longtime U.S. Senator and a Republican presidential nominee. ... The new 80,000 square foot national library will include archives for McCain's papers and materials from his decades of high-profile work in Arizona, Washington and around the globe while in office. A visitor's center and an Arizona home for the Washington D.C.-based McCain Institute are among other elements planned for the site, envisioned as a solutions center and gathering spot to learn more about leadership, democracy and national security." ([ASU to create national library honoring legacy of Sen. John McCain | ASU News](#))

ASU is helping to relocate the ASU Retirees Association and, while we do not yet know where the

office will be located, we have been pleased with the process of preparing for relocation with the Vice President and Chief Human Resources Officer (Michael Latsko), as well as representatives from the Office of the University Architect and University Space Planning. They have met with us on several occasions to ask questions about our needs and gather information from board members, committee chairpersons, and office staff.

The 22.5-acre site on which the Community Services Building sits has an interesting history with a variety of uses including as a tuberculosis hospital and a children's hospital. ASU purchased the hospital for \$1 in the 1980's. The ASURA offices have been on the second floor of the building since December of 2006. We anticipate moving sometime during the spring or summer of 2025. We will keep you informed about our relocation and will invite you to come visit after we settle into the new office.

Meanwhile, we would love to have you join us as a participant or volunteer in any of our ASURA activities, so please don't hesitate to be in touch!

ASURA Office Update

submitted by Linda Van Scoy, ASURA Office Coordinator

Webster's dictionary defines Kudos as “praise given for achievement or fame and renown resulting from an act of achievement”.

I would like to report the names of our office staff and the Board officers who are very deserving of this praise. These volunteers have taken on the responsibility of processing our membership applications, renewals and events. You may recall an earlier reporting that our Business Manager, Carolyn Minner, had recently re-retired and was the person responsible for this onerous task! Just to give you a perspective of Carolyn’s contribution to ASURA ... it has taken 7 of us to tackle what this ONE person has done for many years! Bless your heart, Carolyn!

Dealing with the ASU Foundation as our banker requires many steps to process, record and justify the renewals and donations. So major Kudos to Bev Buddee, Kay Faris, Maria Hesse, Connie McNeill, Carolyn Minner, Jeri Meeks, Jeannette Robson, Jan Thompson and also, me ... Linda Van Scoy.

We more than likely will be adding a few more office volunteers in the near future as we have received 3-4 responses from members expressing an interest in helping, so Kudos to them in advance!

Also, Kudos to our members for writing your checks correctly payable to ASU Foundation/ASURA. It's so helpful!

Last but not least the person who deserves multiple Kudos is our *Prime Times* editor, Jeannette Robson. Our newsletter is so well done it rivals other professional publications. Jeannette spends many, many hours perfecting the document, editing, rearranging copy, adding pictures, proofreading, making sure it's perfect. A big thank you and special Kudos to Jeannette for her dedication and excellent work on this important project!

How to Protect Yourself from Deed Fraud

Submitted by Will Stasi, ASURA Board of Directors

In Arizona many criminal documents require a thumbprint. Many background checks require a fingerprint clearance card, gun ownership for conceal permit require a fingerprint card but property transfer deeds do not. In California they require a thumbprint with signature but Arizona does not.

There are steps homeowners can take to protect themselves from deed fraud. Check if your county offers a deed or title fraud alert service to monitor changes to deeds in your name. Maricopa County offers this fraud alert when requested in writing. While that wouldn't have protected everyone, if your name wasn't on the new deed, it can help prevent other types of deed fraud.

Title insurance, which many homeowners get once they purchase a home, also offers protection from title defects, including fraud. It can come in handy with such common title issues as (1) back taxes, (2) filing errors, (3) liens, (4) title forgeries, (5) easements, and (6) conflicting wills. Title insurance only goes back in time before completion of purchase.

Finally, if you suspect deed fraud on your property, contact authorities immediately and seek legal counsel. Acting quickly is important, because once the deed is filed, in many cases it requires a court order to reverse.

Additional Information: Arizona no longer provides a hard copy of Car Titles and only stores the title in MVD data base system. You can request a hard copy from MVD if you want one.

ASURA Needs Your Old Books!

submitted by Mary Stevens, Book Donations

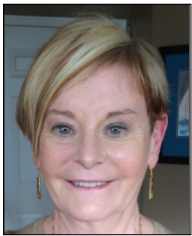

- Are your bookshelves too full?
- Are you downsizing your office or your home and don't have space for all of your books?

Donate your used books to us, and we will work with our partner, Friends of the Phoenix Public Library, to sell them. The proceeds from the sale of books are used to support the ASURA scholarship that goes to an ASU student and for the Video History Project. When you drop off your books, the office volunteer will give you a Gift in Kind form to complete and sign. The form is sent to the ASU Foundation, a separate nonprofit organization that exists to support ASU. The Foundation will provide you with a gift receipt for tax purposes.

You may drop off your books at the ASURA Office, Community Services Bldg., 200 E. Curry Road, room 201B, Tempe, AZ, 85281. Please call the office at 480-965-7668 before you come to make sure there is a staff volunteer in the office.

- For books that are on campus, Facilities Management will pick up your books at your department office for a service fee and deliver them to our office. Some departments have paid this fee in the past. ASURA does not have funds to cover the service fee. To arrange a pick-up and delivery, your department assistant can complete and submit a [FACMAN service request](#) on an on-line form. Facilities will schedule a pickup date with the office assistant. Advise the office assistant to provide your name and department to the FACMAN representative who picks up the books.
- **OR** bring your books to [our office](#). We have 2 dollies for your use. Parking is readily available by the building with 3 ramps into the building and 2 elevators to the 2nd floor.

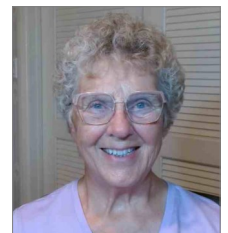

If you are unable to deliver your books to our office, please contact Mary Stevens at (602) 758-3750 or marystevens0@gmail.com or [contact our office](#). Provide your **name**, **email address** (if you have one), **phone number** and the **approximate number of books** you would like to donate. Mary or another ASURA volunteer will work with you to get the books transferred. Thank you so much for your donation!

Do you still use an “@asu.edu” email address? Important Changes

submitted by Connie McNeill, Website Co-Chair

Changes made by some of the major email services last April mean that email addressed to you@asu.edu and **forwarded from there to an outside (non-ASU) service** may not be successfully delivered. Therefore, if you have not changed settings associated with your ASU email address you may not be getting all the emails that have been sent to you.

If you are currently forwarding your @asu.edu email to ASU Outlook or ASU Gmail, the changes should not affect you. However, if you are having problems receiving emails from ASURA, you may need to change the address on file with us as discussed in **Recommendation 1** below.

Note that many emails sent by ASURA to members with @asu.edu addresses are being marked as not delivered, so we know people are missing some email from us.

(Continued on page 7)

(Continued from page 6)

Recommendation 1: Stop using your @asu.edu email address

Notify your email contacts of your direct address and ask them to use it from now on. If you are using ASU Outlook, the direct address is ASURITE@exchange.asu.edu. If you are using ASU Gmail, your direct address is ASURITE@email.asu.edu.

If you have given ASURA an @asu.edu address, **please give us your direct email address** to use. These are the methods for doing that:

- 1) Update yourself online. See our website for directions at <https://asura.asu.edu/update-your-profile>
- 2) Send us an email at asuretassoc@gmail.com.
- 3) Call the ASURA office at 480-965-7668 during the hours of 10am to 1pm on Tuesday, Wednesday, or Thursday.
- 4) Mail us corrected information. Our address is:

ASU Retirees Association
Arizona State University
P.O. Box 873308
Tempe, AZ 85287-3308

Recommendation 2: Manage your @asu.edu address settings

(The following information is from the ASU website at <https://tech.asu.edu/briefs/email-forwarding-change-2024>.)

For help with this process call the ASU Helpline at 855-278-5080. You will particularly want to call if you don't have or want to use the ASU Outlook or ASU Gmail service,

- 1) Sign in to your [My ASU](#) account at <https://webapp4.asu.edu/myasu/>. You need to know your ASURITE UserID and password to do this.
- 2) Select the "Profile" tab in the top navigation.
- 3) Scroll down to "Contact Details" and click on the dropdown menu option labeled "Email."
- 4) Click on "Manage your ASU email address."
- 5) If you have ASU email accounts, they will be listed. You can select "MS Exchange for ASU" or "Gmail for ASU" to change delivery to that service. Be aware that doing this will result in mail addressed to you @asu.edu going to the selected service so you will need to check it periodically. If you don't want to use either, you should call the ASU Helpline for assistance.
- 6) If you chose to forward to an ASU email service, visit your ASU Gmail or MS Exchange inbox by selecting the "Gmail" or "Outlook" buttons in the top navigation of your [My ASU](#). Open the verification email that was sent to you and click on the link provided to verify your choice and complete the change.

A special thanks to all who attended our Fall Meet and Greet event on Wednesday, September 11! We had a wonderful turnout! The event was held in the Community Service Building, and we had a catered lunch of sandwiches, salads, and desserts. Guests enjoyed a “Get to Know You” Bingo game which was a hit and included prizes! It was particularly fun to welcome new members to ASURA. Committee chairs explained their various committees and wooed attendees to join them!

2024-2025 ASURA Travel Report

submitted by John H. Brock, ASURA Travel Committee Chair

Committee Members: John Brock, Joyce Hartman Diaz, Jeff Bush, Tara Roesler, Patsy Brock, Joy White, Gary Anderson, and David Schilkert

The travel committee has been busy in 2024. Last spring some of our members attended the buffet and music show at the Silver Star in Mesa. Nine ASURA members did a two-week tour in Costa Rica in March 2024, which was a lovely trip. Last spring there was also a trip into Southeastern Arizona which included a mine tour in Bisbee, hit the town of Douglas and had a very good Mexican meal in Benson.

On October 6, about twelve people will leave for a 4-Corners / Santa Fe / Albuquerque trip. The three-day trip includes stops at Chaco Canyon and on the last day we will see the take-off flight of hot air balloons in Albuquerque.

We are going to do a fourth trip to ASU's Sidney Poitier New American Film School on October 11, with a noon arrival time in downtown Mesa. The first three tours of that facility returned rave reviews. Then, on October 24, twelve lucky ASURA members will be on a tour of Tovrea Castle. Tickets for the castle tour are difficult to obtain. Watch the ASURA website for information on how to get the tickets.

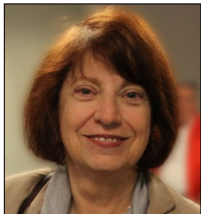

In February 2025 we are making arrangements to hear and see the "Elvis" show and have dinner at the Silver Star theater in Mesa. Late March 2025 will be the departure of sixteen travelers to Sicily. This will be a 2-week tour of that famous part of Italy then returning in time for Easter.

To cap off the spring we are arranging a tour of the Lavender Farm which sits on the northern border of Chandler and southwest Tempe. The focal point of that location is not only the lavender plants but also the mansion that fits the property.

For these events, watch the ASURA website, E-News, or for emails from the ASU Retirees Association.
