ELDERCARE RESOURCES

1. Federal Child and Dependent Tax Care Credit: When a physically or mentally compromised loved one lives with you and you need assistance to work or go to school full time. You may claim up to $3,000.00 of expenses on your Federal taxes. This amount must be reduced by any monies you claim in item 2.

2. Dependent Care Assistance Plan: This is a flexible savings account; it allows the employee to contribute up to $5,000.00/calendar year for expenses such as adult daycare. Must make desire for participation in the program known during the open enrollment period. This is a use it or lose it plan, with no monies being rolled into the next calendar year.

   This is a 12 week per calendar year leave, to care for one’s self or family. Vacation and sick time can be used for employee to stay in paid status, or the time can be unpaid. This Act guarantees one’s pay, benefits and level of work responsibility when returning from leave. The 12 weeks can be taken all at once, or in small increments (Intermittent Family and Medical Leave). Communication with one’s supervisor is essential, so family and job responsibilities can be fulfilled.
